

## 3<sup>rd</sup> International Symposium on Animal Functional Genomics

### USDA Travel Award Application Form

USDA-NRI Program 43.0 (Animal Genome) has made available three travel fellowships of \$2,000 for young trainees (graduate students or postdoctoral fellows affiliated with US universities or research institutions) to attend the 3<sup>rd</sup> ISAFG and present their research in poster format. US trainees interested in applying for this opportunity should send an email to Dr. Guilherme Rosa [[grosa@wisc.edu](mailto:grosa@wisc.edu)] by February 22, 2008 with the following information.

1. Name
2. Gender (M/F)
3. Contact Information (Email Address and Phone Number)
4. Institutional Affiliation and Address
5. Current Degree Program and Expected Completion Date
6. Supervisor (Name, Email Address and Phone Number)
7. Short statement (1-2 paragraphs) of why you would like to attend the 3<sup>rd</sup> ISAFG
8. Attachment document: Title, authors and preliminary draft (maximum 250 words) of the abstract you would present.

Successful applicants will be notified no later than February 29, 2008 and must register and submit their abstract via the ISAFG web site by March 7, 2008.
